Course for dentists: “APPLICATIONS OF OZONE IN DENTISTRY

June 5th, 2014

Language: Spanish

Limited capacity

Classroom, Departmental II and dentistry cabinet with TV camera, University Hospital, King Juan Carlos University, Alcorcón Campus, Madrid (Spain).

GENERAL OBJECTIVE

To offer the basic knowledge of the ozone-therapy in oral and perioral diseases.

AEPROMO

Colegio de Médicos de Madrid
Casilla 46, C/ Santa Isabel 51
28012, Madrid (España)

PARTICULAR OBJECTIVES

1. To introduce in dentistry the theoretical and practical knowledge of the ozone-therapy.
2. To know the application of the ozone and Ozonized Growth Factors in different fields of dentistry.
3. To know the power of the ozone to fight in seconds, against the common enemy in dentistry: THE INFECTION, PAIN and INFLAMMATION

Professors:

- Dra. Nora Bazzano. Argentina
- Dr. Mark Weiser. USA
- Dr. Francisco Javier Hidalgo Tallón. Spain
- Dr. Ezio Gheno. Italy

Program/Schedule

- Huesos y manejo de tejidos blandos en cirugía oral utilizando piezoeléctrica tecnología y factores de crecimiento / *Bone & Soft Tissue Management in Oral Surgery using Piezo-electric Technology & Growth Factors.*

Procedimiento operacional/ operational procedure

- Los dientes impactados / *Impacted Teeth*
- Cirugía periodontal / *Periodontal Surgery*
- Recolección de hueso / *Bone Harvesting*
- Cirugía de implantes / *Implant Surgery*
- Split Crest / *Split Crest*
- Elevación de Seno / *Sinus Lift*
- Aumento de la cresta horizontal con técnica de bloqueo de permeación heteróloga y factores de crecimiento autólogos (CGF) / *Horizontal ridge augmentation with heterologous block graft permeation technique and autologous growth factors (CGF)*
- Aumento vertical de la cresta con injerto óseo de anillo y factores de crecimiento autólogos (CGF) / *Vertical ridge augmentation with heterologous Bone-Ring and autogenous growth factors (CGF)*

Demostración por video transmisión directa / *Video demonstration by direct broadcasting. transmission.*

Dr. Ezio Gheno MD, DDS, Italia /*Italy*

- Aplicaciones del ozono en Odontología/ *Applications of ozone in dentistry.*

- Periodontitis. Gingivitis, periimplantitis / *Periodontitis, Gingivitis, Periimplantitis.*
- Aftas orales, herpes y hongos, estomatitis / *Aphthae, herpes infection, fungi, stomatitis, Candidiasis.aftas, una infección del herpes, estomatitis, candidiasis.*
- Lesiones mucosas traumáticas, quemaduras/ *Ttraumatic mucous injuries, burns.*
- Uso de la copa de silicona/ *Use of dental silicone glasses.*
- Tratamiento de heridas. coagulopatía - sangrado prolongado / *Wound healing, coagulopathy - prolonged bleeding.*
- Cómo usar el ozono: Gas directo, aceites ozonizados, agua ozonizada, concentraciones y tiempos. Protocolos/ *How to use ozone: gaseous form, ozonized oil, ozonized water. Concentrations and timing. Protocols.*
- Desinfección de Cavidades y Canales Radiculares/ *Disinfection of Cavities and Root canal treatment.*
- Blaqueamiento dental/ *Tooth whitening.*
- Control del dolor: Algología en pacientes en emergencia/ *Pain Control: Algology in emergency patients.*
- Papel de la Autohemoterapia menor en odontología. *Role of the minor autohemotherapy in dentistry.*
- Desinfección de cavidades. Prostodoncia Odontología Restauradora, tocones y desinfección de la corona y de la cavidad. *Cavity disinfection. Prosthodontics and restorative dentistry- Stumps and crown disinfection.*

Demostración por video transmisión directa / *Video demonstration by direct broadcasting. transmission.*

4th International Congress of AEPROMO & 3rd of IMEOF “For a Professional Practice of Ozone Therapy”

Languages: English & Spanish

Simultaneous interpretation is assured by professional translators

Aula Magna, Aulario I, King Juan Carlos University, Alcorcón Campus, Madrid (Spain).

AEPROMO and IMEOF are pleased to invite health professionals to the three pre-congress courses and to the 4th International Congress of AEPROMO and 3rd of IMEOF to be held at the King Juan Carlos University, Alcorcón Campus, Madrid (Spain), from June 5 to 7, 2014.

To AEPROMO and IMEOF is highly satisfactory that one of the most modern and advanced universities in Spain has agreed that in this high education center the subject of ozonotherapy be studied and analyzed; both in the Congress and in the three pre-congress courses.

At present the King Juan Carlos University and AEROMO are jointly organizing and implementing the 2013 – 2014 distance learning course “University Diploma in Ozone Therapy and Ozonated Growth Factors”.

Objectives of the 4th International Congress of AEPROMO & 3rd of IMEOF “For a Professional Practice of Ozone Therapy”

To maintain a high level of updating, exchange and collaboration among all professionals, laboratories and medical and academic institutions, which work research and development topics and clinical applications related to ozone therapy.

To harmonize existing therapeutic procedures on the basis of efficacy / risk balance.

To insist on the introduction of good clinical practices; to disseminate knowledge, development of basic research and implementation of clinical trials on the topic of ozone therapy.

To divulge the main results in the field of pharmacological, preclinical and clinical toxicological research, technological, legal and good clinical practices in the application of ozone therapy.

**SCIENTIFIC COMMITTEE OF THE 4th INTERNATIONAL CONGRESS OF
AEPROMO & 3rd OF IMEOF
“For a Professional Practice of Ozone Therapy”**

President: Dr. Juan López-Laserna Ruiz, MD (España). Traumatología. Jefe, Unidad del Pie y Tobillo, Hospital San Juan de Dios, Córdoba. Presidente del Comité Científico del 4º Congreso de AEPROMO y 3º de IMEOF. Miembro de AEPROMO.
MD (Spain). MD. Traumatology. Chief, Foot and Ankle Unit, San Juan de Dios Hospital, Córdoba. President of the Scientific Committee of the 4th Congress of AEPROMO and 3rd of IMEOF. AEPROMO member.

Dr. Adriana Schwartz, MD (España). Directora Clínica Fiorela, Madrid. Directora Científica Instituto Clínico Fiorela, San Pedro Sula (Honduras). Presidenta de AEPROMO. Presidenta de IMEOF. Secretaria del ISCO3 (International Scientific Committee of Ozone Therapy). Directora, Revista Española de Ozonoterapia. Subdirectora y profesora curso de “Experto Universitario en Ozonoterapia y Factores de Crecimiento Ozonizados”. Universidad Rey Juan Carlos, Madrid, edición 2013-2014. Profesora del Módulo de Ozonoterapia, Máster en Medicina Estética y Anti-vejecimiento 2014. Universidad Complutense de Madrid.
MD (Spain). Director, Clínica Fiorela, Madrid. Scientific Director, Fiorela Clinical Institute, San Pedro Sula (Honduras). President, AEPROMO. President, IMEOF. Secretary, ISCO3 (International Scientific Committee of ozonotherapy). Director, Spanish Journal of Ozone Therapy. Deputy Director, course of “University Diploma in Ozone Therapy and Ozonated Growth Factors”, Madrid, 2013-2014 edition. Professor Ozone Therapy Module, Masters in Aesthetic and Anti-Aging Medicine 2014. Complutense University of Madrid.

Prof. Velio Bocci, MD (Italia). Profesor Emérito de Fisiología de la Universidad de Siena. Miembro Honorario de AEPROMO. Presidente de ISCO3 (Comité Internacional Científico de Ozonoterapia). Miembros del Comité Editorial de la Revista Española de Ozonoterapia.

MD (Italy). *Emeritus Professor of Physiology at the University of Siena. Honorary Member of AEPRIMO. President of ISCO3(International Scientific Committee of ozonotherapy) Member, Editorial Committee, International Journal of Ozone Therapy.*

Dr. Gregorio Martínez Sánchez (Italia), Ph.D. Ciencias Farmacéuticas. Experto en Estrés Oxidativo. Miembro de AEPRIMO. Miembro de ISCO3. Miembro Consejo Redacción, Comités Editorial y Evaluador, Revista Española de Ozonoterapia. Profesor del curso de “Experto Universitario en Ozonoterapia y Factores de Crecimiento Ozonizados”. Universidad Rey Juan Carlos, Madrid, edición 2013-2014.
Italy. Ph.D Pharmaceutical Sciences. Member of AEPRIMO. Member of ISCO3 (International Scientific Committee of ozonotherapy). Member of Editorial Board, Editorial Committees and Appraiser Committee of the Spanish Journal of Ozone Therapy.

**SPEAKERS AND TITLES OF LECTURES OF THE 4th INTERNATIONAL
CONGRESS OF AEPRIMO & 3rd OF IMEOF
“For a Professional Practice of Ozone Therapy”**

Dr. Froylán Alvarado Güémez, MD (México). Presidente de la Asociación Mexicana de Ozonoterapia (AMAOZON, miembro de IMEOF). Profesor Asociado de Ozonoterapia, Facultad de Medicina de la Universidad Autónoma de Sinaloa (México). Miembro de AEPRIMO. Miembro del Comité Internacional Científico de Ozonoterapia (ISCO3).

MD (México). President of the Mexican Association of Ozone Therapy (AMAOZON, member of IMEOF). Associated Professor of Ozonotherapy, Faculty of Medicine, Sinaloa Autonomous University. AEPRIMO member. Member, International Scientific Committee of ozonotherapy (ISCO3).

Ponencia: "Bases científicas para el manejo del dolor con ozonoterapia"

Lecture: "Scientific basis for management of pain with ozone".

Dr. Saltuk Aytacoglu, MD (Turquía). Ginecología. Miembro de MODER (Asociación Turca de Ozono Médico, miembro de IMEOF).

MD (Turkey). Gynecology. Member of MODER (Turkish Medical Ozone Society, member of IMEOF).

Ponencia: “Ozono Sauna. ¿Podemos usarla en medicina?”

Lecture: “Ozone Sauna. Can we use it in medicine?”

Dra. Tetiana Barkhotkina, MD (Ucrania). Ph.D otorrinolaringología. Profesora Electrónica Biomédica, Kharkov Universidad Politécnica Nacional de Járkov (Ucrania).

Miembro, Asociación Ucraniana de Ozonoterapia (miembro de IMEOF). Patente del “tratamiento de la sordera neurosensorial”

MD (Ukraine). Ph.D. Otolaryngology. Professor Biomedic Electronic, Kharkov National Politecnic University (Ukraine). Member of the Ukrainian Association of Ozone Therapy (Member of IMEOF). Patent: The treatment mode of sensorineural deafness.

Ponencia: “Los características de la aplicación ozonoterapia en la práctica del médico-otorrinolaringólogo.”

Lecture: “Application features of ozonotherapy in the practice of the otolaryngologist.”

Dra. Nora Bazzano, Odontóloga (Argentina). Odontopediatría.

DDS (Argentina). Odontopediatrics.

Ponencia: “Un sustituto del Flúor. El Ozono protector de la cavidad oral.”

Lecture: “A substitute of the Fluor. The protective ozone in the oral cavity.”

Dra. Oksana Bitkina, MD (Rusia). Ph.D. Instituto de Investigación Dermatovenereal, Academia Médica Estatal, Nizhny Novgorod (Rusia). Miembro, Asociación Rusa de Ozonoterapia, miembro de IMEOF. Miembro de ISCO3 (Comité Internacional Científico de Ozonoterapia).

MD. Russia. Ph.D. Nizhny Novgorod State Medical Academy, Nizhny Novgorod Research Dermatovenereal Institute. Member of ISCO3 (International Scientific Committee of Ozone Therapy).

Ponencia: “La ozonoterapia en la práctica demartológica”

Lecture: “Ozone therapy in dermatological practice”

Prof. Velio Bocci, MD (Italia). Profesor Emérito de Fisiología de la Universidad de Siena. Miembro Honorario de AEPROMO. Presidente de ISCO3 (Comité Internacional Científico de Ozonoterapia). Miembros del Comité Editorial de la Revista Española de Ozonoterapia. *Italy. Emeritus Professor of Physiology at the University of Siena. Honorary Member of AEPROMO. President of ISCO3(International Scientific Committee of ozonotherapy.) Member, Editorial Committee, International Journal of Ozone Therapy.*

Ponencia: El valor terapéutico de la ozonoterapia.

Lecture: The therapeutic value of ozonotherapy.

Dra. Emma Borelli, MD (Italy). Ph.D. Enfermedad Pulmonar. Departamento de Biotecnologías Técnicas, Universidad de Siena, Italia. Miembro de FIO (Federación Italiana de Ozonoterapia).

MD (Italy). Ph.D. Pulmonary Disease. Department of Medical Biotechnologies, Siena University, Italy. Member of FIO (Italian Federation of Ozone Therapy).

Ponencia: Oxígeno ozonoterapia como tratamiento integrado de la enfermedad pulmonar obstructiva crónica: Estudio preliminar.

Lecture: *Oxygen ozone therapy as integrated treatment of chronic obstructive pulmonary disease: a preliminary study.*

Dra. Vivian Borroto Rodríguez, MD (Cuba). Medicina Natural y Bioenergética. Instituto de Neurología y Neurocirugía. Presidenta de la Sociedad Cubana de Ozonoterapia (miembro de IMEOF). Profesora Titular del Curso Básico Nacional y del Diplomado Nacional de Ozonoterapia, Ministerio de Salud Pública de Cuba.
MD (Cuba). Natural Medicine and Bioenergetics Neurology and Neurosurgery Institute. President of the Cuban Ozone Therapy Society (member of IMEOF). Professor of the National Basic Course and the National Diploma of Ozone Therapy, Cuban Ministry of Public Health.

Ponencia: Estudio de efectividad de dosis de ozono en el tratamiento de artrosis generalizada.

Lecture: *Study of the effective ozone dosages in the treatment of generalized arthrosis.*

Dr. Ruhi Cakir, MD (Turquía). MD (Turkey). Pediatría- Medicina Familiar- Antienvejecimiento en Medicina Preventiva. Mediozon Clínicas, Turquía. Miembro de ISCO3 (*International Scientific Committee of ozonotherapy*).
MD (Turkey). Pediatrics-Family Medicine- Anti-Aging in Preventive Medicine. Mediozon Clinics, Turkey. Member of ISCO3 (International Scientific Committee of ozonotherapy).

Ponencia: Casos de inyecciones caudales y epidurales de ozono en el dolor lumbar.

Lecture: *Caudal and Epidural Ozone Injections in Low Back Pain Cases.*

Dr. José Luis Calunga, MD (Cuba). MD. PhD en Ciencias Médicas. Fisiología Normal y Patológica. Profesor Facultad de Medicina, Instituto de Ciencia Básicas y Preclínicas Victoria de Girón. 17 publicaciones científicas. Profesor Principal de 40 Cursos de Postgrado de Ozonoterapia. Miembro del "Grupo Nacional de Ozonoterapia del Centro Nacional de Investigaciones Científicas de Cuba".
PhD in Medical Sciences. Normal and Pathological Physiology. Professor Faculty of Medicine, Institute of Basic Science and Victoria de Girón. 17 scientific publications. Senior Lecturer 40 Postgraduate ozone courses. Member of the "National Ozone Group of the Cuban National Center for Scientific Research".

Ponencia: Ozonoterapia en la fibrosis pulmonar.

Lecture: *Ozone therapy in pulmonary fibrosis.*

Dr. Manuel Gómez Moraleda, Químico (España). PhD en Ciencias Químicas. Medozono S.L. Director Fundador del Centro de Investigaciones del Ozono de Cuba. ,

Miembro de AEPRIMO.

Chemical (Spain). PhD in Chemistry. Medozono S.L. Founding Director of the Cuban Ozone Research Center. Member of AEPRIMO.

Ponencia: La regulación del estrés oxidativo en la ozonoterapia. Comparación con otras terapias y situaciones frecuentes.

Lecture: *The regulation of oxidative stress in the ozone therapy. Comparison with other therapies and frequent situations.*

Dr. Esteban González Sánchez, MD (España). Medicina Interna. Director de Clínicanaria Internacional, Las Palmas. Miembro de AEPRIMO. Miembro Consejo Redacción y Comité Evaluador, Revista Española de Ozonoterapia. Profesor curso de “Experto Universitario en Ozonoterapia y Factores de Crecimiento Ozonizados”. Universidad Rey Juan Carlos, Madrid, edición 2013-2014.

MD. Internal Medicine. Director, Clínicanaria Internacional, Las Palmas. Member of AEPRIMO. Member Drafting & Evaluation Boards, Spanish Journal of Ozone Therapy. Professor, course of “Universty Diploma in Ozone Therapy and Ozonated Growth Factors”, Madrid, 2013-2014 edition.

Ponencia: Reflexiones sobre seguridad y estandarización de la autohemoterapia mayor.

Lecture: *Reflections on safety and standardization of major autohemotherapy.*

Dra. Vet. Mercedes Hernández Avilés, VET (España). Veterinaria clínica. Especialista en pequeños animales. Directora, Clínica Veterinaria Dramp. Miembro de AEPRIMO. *VET (Spain). Veterinary clinic. Specialist in small animals. Director, Veterinary Clinic Dramp. Member of AEPRIMO.*

Ponencia: Importancia de la Ozonoterapia en veterinaria. Casos clínicos.

Lecture: *Importance of Ozone therapy in veterinary. Clinical cases.*

Dr. Francisco Javier Hidalgo Tallón, MD (España). Miembro de AEPRIMO. *MD (Spain). Member of AEPRIMO.*

MD (España). Odontólogo. Doctor en Neurociencias. Miembro del Grupo de Investigación en Cefaleas, Fibromialgia y Psicotropos de la Junta de Andalucía. Director médico de Clinalgia. Miembro de AEPRIMO.

MD (Spain). MD (Spain). Dentist. Doctor in Neuroscience. Member of the Andalucía Council Headaches, Fibromyalgia and Psychotropics Research Group. Medical Director of Clinalgia. AEPRIMO member.

Ponencia: Ozonoterapia en dolor craneofacial y/o ozonoterapia en periodoncia.

Lecture: *Ozone therapy in craniofacial pain and / or ozone therapy in periodontics.*

Dr. Juan López-Laserna Ruiz, MD (España). Traumatología. Jefe, Unidad del Pie y Tobillo, Hospital San Juan de Dios, Córdoba. Presidente del Comité Científico del 4º

Congreso de AEPROMO y 3º de IMEOF. Miembro de AEPROMO. Miembro Comité Editorial, Revista de la SEMPCT (Sociedad Española de Medicina y Cirugía del Pie y del Tobillo).

MD (Spain). MD. Traumatology. Chief, Foot and Ankle Unit, San Juan de Dios Hospital, Córdoba. President of the Scientific Committee of the 4th Congress of AEPROMO and 3rd of IMEOF. AEPROMO member. Member Editorial Board, Journal of the SEMCPT (Spanish Society of Medicine and Surgery of the Foot and Ankle).

Ponencia: "Arthrodiastasis y descompresión canalicular, otro efecto del ozono médico"

Lecture: "Arthrodiastasis and canalicular decompression, another effect of medical ozone"

D. Tom Lowe, Licenciado en Ciencias (EUA). Director, Director of Physicians UBI awareness. Gerente, Ultraviolet Pure, Grand Ledge, MI, EUA.

Bachelor of Science (USA). Director of Physicians UBI awareness, CEO of Ultraviolet Pure, Grand Ledge, MI USA.

Ponencia: UVB - Irradiación ultravioleta de la sangre de la: Un análisis de tres grandes cambios.

Lecture: UVB - Ultraviolet Blood Irradiation: An analysis of three major changes

Dra. Viviana Clelia Lüdi Etchevarren, Odontóloga (España). Profesora Clínica de Patología y Terapéutica Dental II, Facultad de Medicina y Odontología, Universidad Santiago de Compostela (Galicia, España). Clínica Dental Socorro. Inventora: Agujas y cubetas microperforadas.

Dentist (Spain). Clinical Professor of Dental Pathology and Therapeutics II, Faculty of Medicine and Dentistry, Santiago de Compostela University (Galicia, Spain). Dental Clinic Socorro. Inventor: microperforated needles and cuvettes.

Ponencia: Avances en odontología y ozonoterapia, efecto del ozono gaseoso en biopelículas de enterococcus faecalis, estudio in vitro.

Lecture: Advances in dentistry and ozone therapy, effect of gaseous ozone in Enterococcus faecalis biofilms, in vitro study.

Dr. Santos Martín, MD (España). Clínica Dr. Santos, Granollers, Cataluña, España.

MD (Spain). Dr. Santos Clinic. Granollers, Catalogna, Spain.

Ponencia: ¿Tiene efecto el ozono en aplicación por insuflación rectal en el metabolismo de las estronas en mujeres postmenopáusicas y en mujeres afectadas de neoplasia mamaria – tanto pre como post menopáusicas – hormonoreceptoras positivas?

Lecture: Does ozone have effect in rectal insufflation application in the estrone metabolism in postmenopausal women and in women with mammary neoplasia - both pre and post menopausal - positive hormone receptors?

Dr. Gregorio Martínez Sánchez (Italia), Farmaceuta. Ph.D. Ciencias Farmacéuticas. Experto en Estrés Oxidativo. Miembro de AEPRIMO. Miembro de ISCO3. Miembro Consejo Redacción, Comités Editorial y Evaluador, Revista Española de Ozonoterapia. Profesor del curso de “Experto Universitario en Ozonoterapia y Factores de Crecimiento Ozonizados”. Member of Editorial Board, Editorial Committees and Appraiser Committee of the Spanish Journal of Ozone Therapy.*

Ponencia: Las bases moleculares de los efectos del ozono. Nuevos avances.

Lecture: *Molecular basis of the effects of ozone. New advances .*

Dr. Raúl Matera, MD (Argentina). Neurocirujano. Cirugía Mínimamente Invasiva de la Columna. Profesor adscripto de neurocirugía, Facultad de Medicina de la Ciudad de Buenos Aires. Presidente de la Fundación Matera. Presidente de AMAOO (Asociación Médica Argentina de Oxígeno Ozonoterapia, miembro de IMEOF).

MD (Argentina). Neurosurgeon. Minimally Invasive Spine Surgery. Neurosurgery adjunct professor, Faculty of Medicine of Buenos Aires City. President, Matera Foundation. President, AMAOO (Argentine Oxygen Ozone Therapy Medical Association, member of IMEOF).

Ponencia: "Ozonoterapia en zona de penumbra de los ataques cerebrovasculares isquémicos"

Lecture: *"Ozone therapy in penumbra area of ischemic cerebrovascular attacks"*

Prof. Nabil Mawsouf, MD (Egipto). Anestesiología. Director de la Unidad del Dolor, Universidad del Cairo. Presidente, Sociedad Egipcia Médica para Ozonoterapia y Desarrollo de Medicina Complementaria (miembro de IMEOF). Miembro de AEPRIMO. Miembro del Comité Internacional Científico de Ozonoterapia (ISCO3). *MD (Egypt). Anesthesiology. Director of the Unit of Pain, University of Cairo. President, Egyptian Medical Society for Ozonotherapy and Complementary Medicine Development (Member of IMEOF). AEPRIMO member. Member, International Scientific Committee of ozonotherapy (ISCO3).*

Ponencia: Efectos cardioprotectores del ozono oxidativo preconditionando en un modelo en vivo de lesión por isquemia / reperfusión.

Lecture: *Cardioprotective effects of ozone oxidative preconditioning in an in vivo model of ischemia/reperfusion injury.*

Dr. Sci. Eugeni I. Nazarov, Químico (Ucrania). Dr. en Ciencias. Presidente de la Asociación Ucraniana de Ozonoterapeutas (miembro de IMEOF). Vicepresidente de la Unión Asia-Europea de Ozonoterapeutas.

Chemical (Ukraine). Dr. Sciences. Chairman of the Ukrainian Association Ozone Therapists (member of IMEOF). Vice-president of the Asian-European Union Ozone Therapists.

Ponencia: Comparativa de diferentes métodos sistémicos de aplicación de la ozonoterapia: Solución salina ozonizada, autohemoterapia mayor y ozonización extracorpórea.

Lecture: *Comparison of different methods of applying systemic ozone therapy: ozonated saline, major autohemotherapy and extracorporeal ozonation.*

Dr. Iván Pacheco, MD (Venezuela). Traumatología y Ortopedia. Jefe de la Unidad de Traumatología y Ozonoterapia Porlamar, Isla de Margarita - Venezuela. Miembro de SOVEOT (Sociedad venezolana de Ozonoterapia, miembro de IMEOF).

MD (Venezuela). Orthopedist. Head, Porlamar Traumatology and Ozone Therapy Unit, Margarita Island, Venezuela. Member of SOVEOT (Venezuelan Society of Ozone Therapy, member of IMEOF).

Ponencia: Tratamiento de Síndrome de espalda fallida con discolisis percutánea mas Bloqueo Peridural con oxígeno-ozono.

Lecture: *Treatment of failed back syndrome with percutaneous discolysis and Epidural Block with oxygen-ozone.*

Prof. Sergey Peretyagin, MD (Rusia). Instituto de Investigación de Traumatología y Ortopedia de la Academia Estatal de Medicina de Nizhny Novgorod, Rusia. Presidente de la Asociación Rusa de Ozonoterapia, miembro de IMEOF. Miembro del Comité Internacional Científico de Ozonoterapia (ISCO3).

MD (Russia). Nizhny Novgorod Research Institute of Traumatology and Orthopaedics, Nizhny Novgorod State Medical Academy, Russia. President of the Russian Association of Ozone Therapy which is member of IMEOF. Member, International Scientific Committee of ozonotherapy (ISCO3).

Ponencia: "Optimización bioenergética como mecanismo clave de los efectos de la ozonoterapia en la patología urgente"

Lecture: *"Bioenergetics optimization as a key mechanism of ozone therapy effects at urgent pathology."*

D. Roberto Quintero Mariño, abogado (España). Diplomado en Relaciones Internacionales y Doctor en Ciencias Políticas. Funcionario de Naciones Unidas por más de 22 años. RESERVATION OF SLOT

In our previous activities AEPROMO has changed the sign "sold out" because the slots were filled and we had to develop a waiting list. We suggest that you reserve your slot now paying €100. By separating it until April 30, 2014 and if you pay the rest later, AEPROMO will respect the promotion price.

To reserve the slot, those who live in Spain must pay the entire activity or 100 € which will not be refundable. In the latter scenario the rest may be paid before the course pre-congress or congress, or the same June 5 (pre-congress course) or 6 June (conference) in cash or by credit card (Visa or Master Card).

To reserve the slot, those who do not live in Spain, must pay the entire activity or 100 € which will not be refundable, or send to AEPROMO a copy of their electronic ticket. In the last two scenarios the rest or the whole may be paid before the course pre-congress or congress, or the same June 5 (pre-congress course) or 7 June (conference) in cash or by credit card (Visa or Master Card).
